pious to Allah and be with the

STUDENT CORNER

Assalamu Alaikum,

My name is Ameena Abdelhakim. I'm 11 years old and I am in 6th grade.

My favorite colors are all of them including all the bright ones. My favorite subjects are science, math, Arabic, and language arts.

What I like to do when I am done doing my homework is play with my little brothers and sister. I also love to read; I'm a really big bookworm. I really like arts and crafts such as, drawing, jewelry making, designing, and much more.

I love the school I am attending; I have learned so much here that I never knew before. I hoped you enjoyed learning about me.

Thank you!
