- ✚ Next year we will no longer offer 7th and 8th grade classes. We will also separate our 5th and 6th grade classes.

Theme of the Month

Seeking Knowledge

The Prophet Muhammad صلى الله عليه وسلم said:
"There is no one who goes out of his house in order to seek knowledge, but the angels lower their wings in approval of his action."

Earth Day

NAA students celebrated Earth Day on April 25th by cleaning, recycling, and learning about environmental protection.

Our students presented items they made out of recycled materials, wrote poems, and organized the school. We are so proud of the initiatives taken by all students to protect our planet.

Order Your **YEARBOOK**

Wednesday: Pajama Day

Thursday: Sports Day

Friday: Cultural Day

****No open-toed shoes****

Teacher Corner

Asalamu Alaikum! My name is Mrs. Safaa Aboalam. Teaching is an absolute passion of mine. I am greatly fond of the students in my class this year. They are so brilliant mashallah! I am a mother of three daughters who were the reason I chose to switch from a career in finance to education where I discovered the best reward any one could have. I have been teaching for the last 10 years, mostly as an elementary homeroom teacher, responsible for teaching all subject areas. I am so happy to be a part of the academic progress your child will make.
