- **November 23rd-25th:** Thanksgiving Break
(School Closed)
- **November 30th:** Staff Development Day
 - Early Release (pick up students at 12:25pm)

Last Month's Events

Field Trip - On October 26th, the whole school went on a field trip to the Wildlife World Zoo. Students visited the petting zoo, the aquarium, wildlife encounters, and watched the sea lion show. It was a very fun and educational experience for everyone.

National Day- This year we gave students the opportunity to learn about various states, rather than nations. The national anthem was recited at the beginning of the event and classes presented fun facts about their specific state.

Parent-Teacher Conference - It was wonderful to see so many parents attend the conference this quarter. Parents had the opportunity to discuss their child's academic and behavioral performance with each teacher. We hope to continuously strengthen the communication between parents and teachers.

We are proud to introduce the new PTO chairperson, one of our own NAA parents, sister Amal Fayad. She will take care of all related activities, events, and meetings related to PTO inshallah. We are sure Amal will do a tremendous job! We would also like to thank Mrs. Hassiba who has graciously led PTO over the last 6 years. During this time she has worked tirelessly to give parents an opportunity to be a part of their children's school experience. As chairperson of the committee, she facilitated numerous student activities, teacher appreciation events, and much more. Noor Academy is grateful to Mrs. Hassiba for all of her hard work and dedication.

Kindergarten Student of the Month

Rinad Mustafa was chosen for October's Student of the Month! Mrs. Madiha gives this special award to students who demonstrate academic and behavioral excellence. Rinad is being recognized for meeting this criteria and showing great improvement over the last few months.

1st Grade Healthy Choices Lunch

Mrs. Ouahida will be hosting a lunch for her first grade class on Wednesday, November 2nd. Students have been learning about healthy foods and their benefits. This lunch will provide an opportunity for students to implement what they learned in a fun, hands-on approach, by making their own salad plate. Please sign up to bring a food item at the front office.

Staff Corner

My name is Mrs. Sara Shuaib. I hold a Master's of Science in Architecture, with six years of experience in the higher education field and four years' experience in the architectural profession. I came to the United States in 2012 with my husband and daughter, after completing my postgraduate studies in the United Kingdom. I now have two kids; my daughter is five and my son is three years old. I feel blessed to be living the American dream and raising my children here in the U.S. around my family. My hobbies include going out with my friends, watching movies, and working on art projects.

This is my first year teaching at Noor Academy. I enjoy teaching and I am proud to be a part of a rewarding environment. We are working very hard to help students receive the best education inshallah.

Islamic Corner

Be Kind to Animals

Islam expects people to treat animals (all living creatures - birds, sea creatures, house pets, and insects) with respect and dignity. Prophet Muhammad continuously advised people to show kindness to animals.

The Prophet was asked, "O Allah's Messenger! Is there a reward for us in serving the animals?" He replied: "There is a reward for serving any living being." (Bukhari)

Student Corner

My name is Samater Ismail and I am in 5th grade. I was born in Atlanta, Georgia and raised in Arizona. My younger brother, Saleban also attends Noor Academy. I have four older siblings; two in college, one in high school, and one in 8th grade.

My favorite subjects are Quran, Math, and P.E. My hobbies include playing soccer and basketball. I also like to read in my free time. When I grow up I would like to be a police officer.
